Fall Work Party: On Sunday, September 27th, 12 LRC members met at the outdoor rifle range for cleaning, trash removal, lawn mowing, etc., and installing a steel bridge over the brook behind the 200 yard rifle targets. The Club would like to thank Walt T. for bringing his John Deere tractor to install the steel bridge over the brook and installing the drainage pipe on the range road. Let's thank Mary Lou B. for the sandwiches + other goodies that she made for the workers for lunch that day.

LRC Annual Meeting: On Sunday, October 25th, the Annual Meeting was held at 2:00 PM; the Club's business was conducted for 2015 & 2016. The 2016 LRC Officers were elected (see inset on right). Also, there was a small work party in the AM raking leaves at the Clubhouse. Again, Mary Lou B. provided the members with venison stew at noon. A "Good Job!" by all for leaf raking and participating in the Club's Annual Meeting.

Four-Match Winners: The Club held its high power rifle matches throughout this summer which included: bolt action, reduced target, M1 Garand and high power rifle. High scores from each match are compiled and the winning 2015 LRC shooters are: 1st Place - Ralph L., 2nd Place – Jim V., 3rd Place – Robert T., 4th Place – Eric G., and 5th Place – Joe S. For winning 1st Place, Ralph L. will be awarded a free LRC membership for 2016 for his excellent marksmanship.

Property Damage at the Rifle Range: Throughout the Spring, Summer and Fall for 2015, damage was done to our outdoor rifle range, specifically, visitors have not been shooting at everything but targets. The Pavilion, the portable out house, beer cans, and alike have been (so-called) "targets" at our range. **THIS IS UNACCEPTABLE!** Please report *anyone* misbehaving at the range to Elwin at (413)773-3548. The Club will contact the local authorities and, if convicted, the violator(s) will lose their right to bear arms in Massachusetts!
