Registration time for all AM match shoots is at 8:00 – 8:30 AM with the first line ready to shoot by 9:00 AM. Range fees for every match will be \$3.00. Club ammunition for both .30-'06 and .223 cartridges will be available to use at the LRC rifle matches (includes sighters) at a donation of \$20.00 for either the 40 or the 50 round rifle matches. At the October 2012 annual meeting, it was voted to limit both .30-'06 and .223 ammunition availability for only the rifle matches. All club ammunition spent cartridge brass is property of the LRC. Both M1 & Springfield rifles are available for members to use for free at the Sunday LRC high-power rifle matches.

Club policy for all rifle matches: After shooting sighters using 3" diameter spotters, only golf tees will be used for 'spotting' the target's bullet holes during all 4 stages of fire during a rifle the match.

For Club work bees, look for people at both the inside and outside ranges. Please bring rakes, shovels, saws, etc. Fixing target frames, lawn maintenance, raking leaves are projects. Questions? Call Nate Hall @ 413-212-8883.
